

McIntosh Pride

October 2020

From the Principal's Desk

Please follow the rules from our crossing guard. She, like the entire McIntosh Staff, is concerned about the safety of your children. When crossing the street, students are only to cross between the white lines of the crosswalk. Also, parents do not park on the crosswalk lines; it is for students to walk safely.

Attendance Matters

Students, either in person or remote, need to attend school each day. We want our children to take advantage of every opportunity to be successful. Students are rewarded for good attendance.

Students Arriving Late

In person students arriving late or being picked up early must be signed in and out by their parents or guardian in the school office.

Dismissal Procedures

Parents who pick their children up each day must sign with the teacher in charge that you are taking your child home. We do not want our children lost or going home with the wrong person.

Parent-Teacher Conferences

Conferences are scheduled for October 15th and 22nd from 2:30-5:30. Information should be coming home soon.

Gum, Candy, Toys, Cards, Cell Phones

All of these items are not allowed in school. Please speak to your children about not bringing these items to school. This is a school rule, and consequences will be given to students who do not follow the rules.

Student Behavior

McIntosh School follows the district PBS program with being responsible, being respectful, and safe. Students who follow the rules are rewarded with different celebrations. Please encourage your child to follow the expectations of McIntosh School students.

Scholastic Book Fair

PCI Pharma is sponsoring a book fair for all of the McIntosh students, whether in person or remote. All students will pick 3 books each, paid for by PCI Pharma. More information to follow.
